

## On the Subject of Boozleglyph Identification

*That's right I've been bamboozled, over and over again...*

When this needy activates, a boozleglyph will be displayed. First, submit what letter it corresponds to. Then, submit which set it can be found in. Finally, submit the number of 90 degree rotations clockwise it has undergone. This will disarm the needy.

	Set 1	Set 2	Set 3
